If a visitor does not show consideration, the Club reserves the right to cancel their booking at which point they will have to immediately leave the campsite. Emergency Services

A first aid kit is available in the kitchen, or in the bar area. Please ask a Club member for assistance.

The hospital is located 400 metres away. This has a 24 hour A&E facility. In case of emergency dial 999 and ask for an ambulance. The location is Union Mills Football Club, Garey Mooar, Ballaoates Road, Braddan.

Tents

- Never use candles in or near a tent. Torches are much safer.
- Keep matches and lighters out of the reach of children.
- Flammable liquids should not be brought onto the campsite.
- Oil burning appliances shouldn't be used in or around tents.
- Keep cooking appliances away from walls and the roof and where they can easily be knocked over.
- Cooking appliances should not be used in small tents.
- Don't smoke inside tents.
- Have an escape plan, and be prepared to cut your way out of the tent if there is a fire.
- Make sure everyone knows how to put out a clothing fire - stop, drop and roll.

IN CASE OF FIRE

Fire points with extinguishers and fire buckets are located around the campsite and at the clubhouse. Additionally fire extinguishers are available in the clubhouse.

REMEMBER

- ◆ NEVER turn your back on a fire.
- ◆ If the fire is large, DO NOT try to put it out yourself. Call 999 and move everyone to safety. Extinguishers were designed for incipient (beginning phase) fires, not those well established.
- ◆ Most importantly, most fires are avoidable and the majority are started by poor housekeeping.
